

How to Withdraw Referral Commission.

Step 1) Login your account in <http://www.tbcbalexchange.org/>

Step 2) Click “Request for Cash Out”

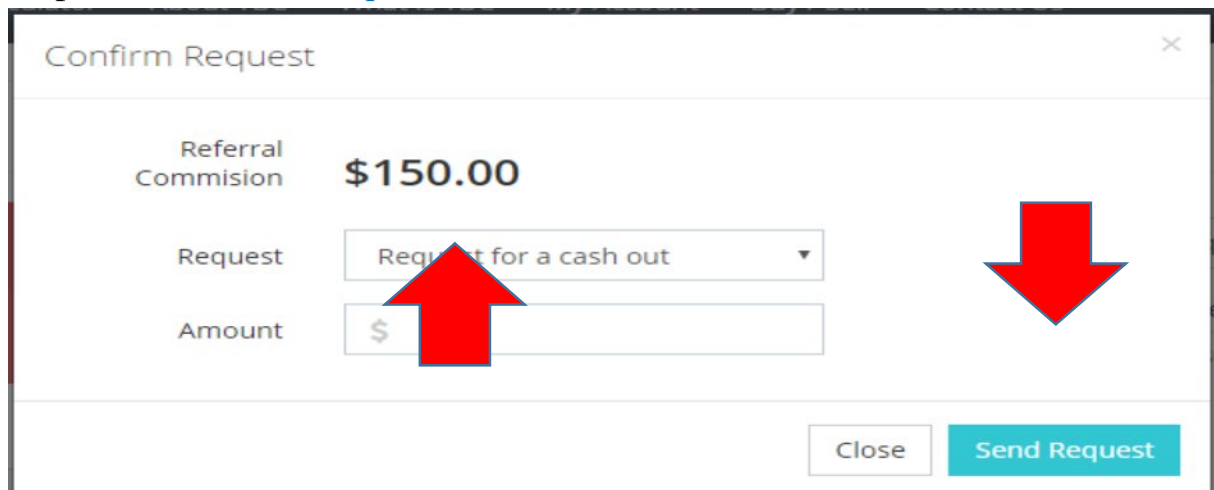

The screenshot shows the 'MY ACCOUNT' dashboard. On the left, there are two cards: a blue one for '2 Referral' and a red one for '\$150.00 Referral Commission'. Below these is a 'Referral Link' section with a text input field containing 'http://www.tbcbalexchange.org/account/regist...' and a 'Copy Link' button. At the bottom left, there is a 'Member Information' section with an 'Edit Profile' button. On the right, the 'My Transactions' section features a table with columns for Type, Amount, Reference Number, and Status. A transaction is listed: 'Buy TBC' on '08-Mar-2017' for '3,366.00 USD' with reference number 'BC-000072' and status 'PROCESSING'. Above the table are two buttons: 'Request for cash out' and 'Load to Prepaid'. A large red arrow points down to the 'Request for cash out' button.

Type	Amount	Reference Number	Status
Buy TBC 08-Mar-2017 8 minutes ago	3,366.00 USD	BC-000072	PROCESSING

Step 3) Put the amount that you want to CASH OUT.

Step 4) Click “Send Request”.

The screenshot shows a 'Confirm Request' dialog box. It displays 'Referral Commission \$150.00'. Below this, there is a 'Request' dropdown menu set to 'Request for a cash out' and an 'Amount' input field with a '\$' symbol. A large red arrow points up to the 'Request' dropdown. To the right, another large red arrow points down. At the bottom right, there are two buttons: 'Close' and 'Send Request'.
